LICENSE 050086546 AND 050150345

¶1. This is an action message. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls  
Compliance (PM/DTCC) requests post assistance in conducting a  
post-shipment check for the export of chemical warfare agent  
and radiation detectors to Egypt. Post is requested to  
complete this Blue Lantern check within 45 days. Lack of  
response to a Blue Lantern check will affect pending and  
future licenses involving parties to this license.

¶3. Reason for request: the Foreign Consignee, Arab

office. Large quantity of commodities requested that have  
potential for diversion; the second license is a partial  
duplicate request of the first license.

¶4. ACTION: Please contact the Foreign End User, Government
